

## WINE LIST

Thank you for taking an interest in our wine program. Even after being open for five years, our wine program, like our restaurant, is still a work in progress. Reflecting our kitchen's philosophies, we strive to offer a constantly evolving selection of wine from artisan producers, which are food friendly and offer great value for money. It's been a real treat putting this list together, and I hope you get as much enjoyment drinking from it!!

While we do offer a terrific selection of international wines spanning from the cool coastal areas of Chile to the warm plains of eastern Austria, Ontario wines are, and will always be, our main focus. We are so fortunate to be located in an area where world-class wines are being produced just minutes away. Proudly, the restaurant offers library selections from some of Canada's top producers. We also take great pride in offering beers from some of Ontario's top craft breweries.

We would be honored to assist you in your selection.

James Treadwell, Sommelier-Owner
