

BACHELDER

Winemakers Dinner featuring Thomas Bachelder

Saturday, February 29th @ 730pm

We are delighted to once again showcase Bachelder, the label owned by renowned winemaker Thomas Bachelder and his wife, Mary. Sourcing grapes from top vineyard sites throughout Niagara, Thomas puts maximum emphasis on showcasing the region's unique terroir. The resulting quality is stunning - his wines have been heralded by international wine journalists and showcased in some of the best restaurants around the world. His influence on the Canadian wine industry is matched by very few.

This year, we will be presenting yet-to-be released wines from their Spring portfolio, including a selection of single vineyard Pinot Noirs and Chardonnays from 2017. A multi-course tasting menu, created by Executive Chef Jason Williams and presented by Sommelier-Owner James Treadwell, will be paired alongside these wines.

Join us on February 29th at our brand-new event space, The Gate House (142 Queen Street), as we celebrate some of Canada's best wines made by one of its most talented winemakers. Cost is \$150 per guest, plus taxes and gratuities. For more information or to reserve, please contact the restaurant at 905.934.9797 or james@treadwellcuisine.com

Our hotel partner, 124 on Queen Hotel and Spa (located next to Treadwell and The Gate House), are offering special room rates this winter for guests attending the various wine dinners at Treadwell. Please contact 1.855.988.4552
